

DMMS IEC 61008-2-1 (1990)-Residual current operated circuit-breakers without integral over current protection for household and similar uses (RCCB's). Part 2-1: Applicability of the general rules to RCCB's functionally independent of line voltage

Scope

This clause of Part 1 is applicable, except as follows:

Replace the first paragraph by the following:

This International Standard applies to RCCB's functionally independent of line voltage, for household and similar uses, not incorporating overcurrent protection, for rated voltages not exceeding 440 V a.c. and rated currents not exceeding 125 A, intended principally for protection against electric shock hazard.
